## MANCHESTER STREET GENERATING STATION, Oil Pump House

HAER NO. RI-35-G

**Location:** 460 Eddy Street, Providence, Providence County, Rhode Island

UTM: 19.300220.4631860  
USGS QUAD: Providence, Rhode Island

**Engineer/Architect:** United Engineers & Constructors, Inc., Philadelphia (engineers)

**Date of Construction:** 1940

**Present Owner:** Narragansett Electric Company  
460 Eddy Street  
Providence, Rhode Island 02903

**Present Use:** Fuel oil pump house

**Significance:** Constructed as part of the fuel oil system, the equipment in this building pumps oil from Tanks #7 and #8 (HAER No. RI-35-E) to the boilers in the main Station (HAER No. RI-35-A). It is significant as an integral component of fuel supply for the plant's electrical power generation operations.

**Project Information:** This documentation was undertaken in accordance with Section 106 of the National Historic Preservation Act of 1966, as amended, prior to demolition and new construction for a repowering project using combustion turbines.
